GENERAL NOTES

Uniforms: Bring all uniforms: Utilities, PT Gear, BDUs, and Dress Whites

Training Reports: All Hands need to bring with them and turn in on Friday night to their DPOs a training report detailing any summer training experiences you had over the summer. Remember that these will be posted on the unit website.

Team Building: Since the departments will be mostly even now, all team building exercises will be each department against the other departments. The team building will be physically demanding so be prepared.

PRT: There will be a PRT this month so continue to exercise.

Coursework: Remember that to be promoted, you must complete all coursework for each rank. If you are up for promotion, complete your coursework and turn it into your DPO Friday evening.

Awards: If you believe you've earned a ribbon, tell your DPO.

End of POM.
